HANES GEO COMPONENTS GROUND CONTROL CONFERENCE APRIL 5, 2017

| Hotel and Conference Center | 1900 S First Street | Champaign, Illinois

ABOUT THE CONFERENCE

Hanes Geo Components, a supplier of erosion and sediment control products and services, is sponsoring this event. The conference is a full day of opportunities for learning, including exhibits and direct interaction with some of the leading manufacturers in the industry.

The entire conference program has been developed with the goal of providing participants with practical tools needed for effective erosion and sediment control along with some of the latest green practices. With the demand for sound practices, continuing education is of extreme importance.
